

ELEANOR SNOW ANDREWS

Curriculum vitae

(917) 902-2682

esa57@cornell.edu

www.eleanorsnowandrews.com

EDUCATION

- Ph.D. Development Sociology, Cornell University, 2020
Dissertation: *Beekeeping in the Anthropocene: Theorizing Conflicts over Honey Bee Health*
- M.S. Geography, The Pennsylvania State University, 2012
Thesis: *Social and Political Dimensions of the Marcellus Shale Development in Pennsylvania*
- B.A. Political Science and French, *cum laude*, Amherst College, 2006

PROFESSIONAL EMPLOYMENT

- 2021– present Writing coach
Defend & Publish
- 2020– present Freelance editor, www.eleanorsnowandrews.com
- 2020–21 Visiting Lecturer
Cornell University, John S. Knight Institute for Writing in the Disciplines
- 2020–21 Program Manager
Hobart and William Smith Colleges, Environmental Studies Summer Youth Institute
- 2017–18 Visiting Instructor
Hobart and William Smith Colleges, Environmental Studies

PUBLICATIONS

Refereed journal articles

Andrews, E. (2019). “The main objection to numerous small bee keepers”: Biosecurity and the professionalization of beekeeping. *Journal of Historical Geography*, 67, 81–90.

Andrews, E. (2019). To save the bees or not to save the bees: Honey bee health in the Anthropocene. *Agriculture and Human Values*, 36(4), 891–902.

Andrews, E., & McCarthy, J. (2014). Scale, shale, and the state: Political ecologies and legal geographies of shale gas development in Pennsylvania. *Journal of Environmental Studies and Sciences*, 4(1), 7–16.

Book chapters

Andrews, E. & McCarthy, J. (2017). Micropolitics in the Marcellus Shale. In L. Horowitz & M. Watts (Eds.), *Grassroots Environmental Governance: Community Engagements with Industry* (pp. 188–208). New York: Routledge.

Other publications

Andrews, E. (August 2019). Information literacy for beekeepers. *Bee Culture*, 147(8), 40–42.

Andrews, E., Mouillesseaux-Kunzman, H., & Kay, D. (2014). “The Smart Growth Public Infrastructure Policy Act and Smart Growth in New York State: Overview.” New York State Water Resources Institute, Cornell University.

Andrews, E., Mouillesseaux-Kunzman, H., & Kay, D. (2014). “Water and Sewer Infrastructure: Implementation of the Smart Growth Public Infrastructure Policy Act through the Clean Water State Revolving Fund and the Drinking Water State Revolving Fund.” New York State Water Resources Institute, Cornell University.

Andrews, E. (2013). “The Resilience of Beekeeping: Hobby Hives in the Finger Lakes.” Prepared for the ACSF-Oxfam Rural Resilience Community Assessment Project.

Andrews, E. and Hesse, A. (2012). “Case Study: Marcellus Shale: Impacts and Intersections with Climate Change.” Prepared for a draft technical report for the US National Climate Assessment (Climate Change in the Northeast: A Sourcebook), but not included in the final version.

Andrews, E. & Kelsey, T. (2011). “Impacts, Opportunities, and Challenges for Marcellus-Related Businesses in Pennsylvania.” University Park, PA: Penn State Extension.

Andrews, E. & Kelsey, T. (2011). “Downtown Business Communities and Marcellus Shale Development in Pennsylvania.” University Park, PA: Penn State Extension.

AWARDS AND HONORS

- | | |
|---------|--|
| 2020 | John S. Knight award (honorable mention) for designing a writing exercise for students (John S. Knight Institute for Writing in the Disciplines, Cornell University) |
| 2018 | Taietz award for best graduate student conference paper (Development Sociology, Cornell University) |
| 2018 | First-Year Writing Seminar Award (fellowship to teach one semester) (American Studies, Cornell University) |
| 2016 | Graduate School research travel grant (Cornell University) |
| 2016 | Buttrick-Crippen fellowship to teach a first-year writing seminar (John S. Knight Institute for Writing in the Disciplines, Cornell University) |
| 2015 | Toward Sustainability Foundation grant in Organic and Sustainability Systems, for preliminary dissertation research |
| 2014–15 | Outstanding graduate teaching assistant (Development Sociology, Cornell University) |

- 2014–15 Graduate teaching assistant fellowship (Center for Teaching Excellence, Cornell University)
- 2013 Rural resilience research grant/fellowship, to conduct research through the Rural Resilience Capabilities Participatory Assessment Framework (Atkinson Center for a Sustainable Future, Cornell University, and Oxfam America)
- 2012–13 Excellence Fellowship (College of Agriculture and Life Sciences, Cornell University)
- 2012 Honorable mention for the Graduate Research Fellowship Program (GRFP) (National Science Foundation)
- 2011 E. Willard Miller award for thesis proposal (Geography Department, Penn State)
- 2011 Field Study Award (Cultural and Political Ecology (CAPE) Specialty Group of the American Association of Geographers)
- 2010–11 E. Willard Miller and Ruby S. Miller Distinguished Graduate Fellowship award (Graduate School, Penn State University)
- 2010 Anne C. Wilson Graduate Fellowship award and the Ruby S. Miller Endowment for Geographic Excellence (College of Earth & Mineral Sciences, Penn State University)

CONFERENCE PRESENTATIONS

- 2020 Invited presentation, “‘Don’t tread on bee’: Human and nonhuman challenges to (regulating) beekeeping,” at the Environmental Justice in Multispecies Worlds symposium (March 7, Madison WI)
- 2019 Remarks for panel on “Honey bee geographies,” American Association of Geographers Annual Meeting (April 7, Washington DC)
- 2019 “‘Mutts’ and ‘magic bees’: Breeding healthier honey bees as a socio-ecological fix?” American Association of Geographers Annual Meeting (April 5, Washington DC)
- 2019 “The payoffs and pitfalls of collaborative research with physical scientists,” organization of panel at the Dimensions of Political Ecology conference (February 23, Lexington KY)
- 2018 Invited presentation for panel on “Governing more-than-human spaces,” Nature/Society Geography workshop (September 22, State College PA)
- 2017 “Authenticity, action research, and the academy,” Nature/Society Geography workshop (September 16, Worcester MA)
- 2017 “Expertise, education, and exchange: the politics of sustainable beekeeping,” Farm to Plate Conference (May 12, Ithaca NY)
- 2017 “Industrial livestock or endangered species: which bees need saving?” American Association of Geographers Annual Meeting (April 5, Boston MA)
- 2017 Discussant for panel on “Geographies of negative emissions,” American Association of Geographers Annual Meeting (April 9, Boston MA)
- 2017 “Honey bee health in history: the modernization of beekeeping,” Dimensions of Political Ecology conference (February 25, Lexington KY)

- 2015 “Beekeeper associations as sites of social environmental learning and political engagement,” Dimensions of Political Ecology conference (February 28, Lexington KY)
- 2014 “Micropolitics in the Marcellus Shale,” American Association of Geographers Annual Meeting (April 10, Tampa FL)
- 2012 “Landowner coalitions in the Marcellus Shale: a political ecology perspective,” American Association of Geographers Annual Meeting (February 26, New York NY)
- 2011 “Impact of Marcellus Shale development on downtown business communities in Pennsylvania” (with Tim Kelsey), Marcellus Shale Academic Applied Research Conference (May 10, Altoona PA)
- 2011 “Scale, shale, and governance: legal geographies of Marcellus Shale commodification” (with James McCarthy), American Association of Geographers Annual Meeting (April 13, Seattle WA)
- 2011 “Landowner coalitions in the Marcellus Shale: a political ecology perspective,” No Boundaries conference at Penn State (March 20, State College PA)

TEACHING EXPERIENCE

Instructor of record, Cornell University

- “Acute on Chronic”: Inequality and Injustice in the Era of COVID-19 spring 2021
- The Sociology of Sustainability fall 2020, spring 2021
- New Narratives of Nature fall 2019
- Writing in the Anthropocene fall 2018
- The “Third World Within”: Poverty and Paradox in the US fall 2016, spring 2017, spring 2019
- Introduction to Sociology (Auburn Correctional Facility and Five Points Correctional Facility, Cornell Prison Education Program) summer 2016, summer 2019

Instructor of record, Hobart and William Smith Colleges

- Global Climate Change fall 2017, spring 2018
- Environment and Society fall 2017, spring 2018

Teaching assistant, Cornell University

- Introduction to American Studies spring 2020
- International Development spring 2016
(designed and taught writing-intensive section, Development and Underdevelopment in the United States)
- Gender and Development fall 2015
- Introduction to Sociology spring 2014, spring 2015

The Social and Political Context of American Education fall 2013, fall 2014
 Writing workshop (Auburn Correctional Facility, spring 2013
 Cornell Prison Education Program)

Other teaching experience and training

Workshop on writing effective policy briefs (designed and taught) spring 2021
 Workshops on writing through Knight Writing Institute spring 2021, fall 2020
 (professionalization panel, writing assignment exchange, and
 reading to write / teachable texts) (designed and taught)
 Invited lecture, Risk and Resilience seminar (Harvard University) fall 2020
 Co-development of syllabus for 1-credit seminar fall 2019
 for TA training in Development Sociology
 Invited lecture, Wonder Women (Cornell University) fall 2019
 Intergroup Dialogue Project (Cornell University) 2018–19
 Implicit bias training (Hobart and William Smith Colleges) 2018
 Development of Master Beekeeping curriculum 2016–17
 (Dyce Lab for Honey Bee Studies at Cornell)
 Invited lectures, Environmental Sociology (Cornell University) 2016, 2017
 Writing consultant, Graduate Writing Service (Cornell University) 2015–16
 Coursework: The Practice of Teaching in Higher Education, fall 2014, fall 2015, fall 2016
 Teaching Writing, Teacher Training for Writing in the Majors
 Creation and management of teaching resource bank 2013–2020
 for Development Sociology department (Cornell University)
 Invited lecture, Geographic Perspectives on Sustainability and 2011
 Human-Environment Systems (Pennsylvania State University)
 Invited lecture, Green Futures (Duke University) 2011
 Student teaching and coaching at Westtown School, a Quaker 2010
 boarding school (Peace and Justice, French) (Westtown, PA)
 Peace Corps, health education (Islamic Republic of Mauritania) 2006–08

RESEARCH EXPERIENCE

2018–19 Interviews and statewide survey for Cornell’s Dyce Lab for Honey Bee Studies on
 honey bee breeding, funded by the NYS Pollinator Protection Plan
 2013–19 Dissertation fieldwork: interviews, statewide survey, participation in clubs and
 classes throughout NYS, employment with Cornell’s beekeeping extension program
 2013 Data analysis for survey on winter hive losses in the Finger Lakes Beekeeping Club
 2013 Community and Regional Development Institute, Cornell University: research on
 Smart Growth legislation in NYS and its impacts on funding for water and sewer-
 related infrastructure projects

- 2013 Oxfam Rural Resilience research, co-sponsored by the Atkinson Center for a Sustainable Future, Cornell University: participatory assessment of the resilience of beekeeping in Tompkins County, NY
- 2011–12 Research assistant for Dr. Petra Tschakert (Geography, Penn State University) on NSF project, Anticipatory Learning for Climate Change Adaptation and Resilience: data analysis and creation of learning materials for eight communities in Africa, to promote anticipatory, flexible, and collaborative planning for climate change
- 2011–12 Research assistant for Dr. Tim Kelsey (Agricultural Economics, Penn State University): analysis of social and economic impacts of natural gas development in Pennsylvania

PROFESSIONAL SERVICE

- 2021 Evaluation of student capstone projects for Cornell's Education Minor (May 5 & 10)
- 2015–present Reviewer for *cultural geographies*, *Environment and Planning A*, *Environment and Planning C*, *Environment and Planning E*, *Geoforum*, *Journal of Environmental Planning and Management*, *Journal of Rural Studies*, *Sociologia Ruralis*, *The Extractive Industries and Society*, and Routledge
- 2013–17 Development Sociology Graduate Student Collective officer, Cornell University
- 2015 Organization (lead) of Nature-Society Geography workshop, including a field trip, with ~50 participants from Cornell, Syracuse, Clark, Penn State, and Rutgers Universities (October 2-3, Ithaca, NY)
- 2011–12 Supporting Women in Geography officer, The Pennsylvania State University
- 2011 Organization (lead) of field trip to sites of natural gas production, Geographies of Justice: An Interdisciplinary Symposium at Penn State University, with ~50 participants from Syracuse, Clark, Penn State, and Rutgers Universities (October 1, State College, PA)

PUBLIC SERVICE AND ENGAGEMENT

- 2021 Contribution to documentary (student project for Ithaca College Documentary Journalism Workshop): www.youtube.com/watch?v=ykboF6UCR0M, at 50min
- 2021 Invited talk for the Western Apicultural Society (Zoom)
- 2019 Invited talk for the Cooperative Extension Schuyler County and Schuyler County Historical Society (Montour Falls, NY)
- 2018 Invited talk for the Ulster County Beekeepers Association (Rosendale, NY)
- 2017 Interview for PolliNation podcast (Oregon State University podcast on pollinator health) <http://blogs.oregonstate.edu/pollinationpodcast/2017/08/07/ellie-andrews>
- 2016 Bee Audacious Conference volunteer (Marshall, CA)
- 2016 Invited talk for the Steuben County Honeybee Association (Bath, NY)
- 2014–21 Finger Lakes Beekeepers Club, officer (Ithaca, NY)

- 2014 & 2015 Graduate Student School Outreach Program (GRASSHOPR), Cornell University, teaching a mini-course to elementary school students
- 2013–18 Training and outreach for Cornell Cooperative Extension Master Composting program (Tompkins County, NY)
- 2011–19 Outreach and recruitment for Peace Corps volunteers
